23rd November 2021

Dear parent/guardian,

Newham Primary School is looking forward to another great year of teaching and learning and would like to advise you of Newham Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer: 1:1 computers for 5/6 students, Kitchen Garden Program, Apps and programs, incursions and excursions, French cultural day, sustainability/Resource Smart/Science, School Wide Positive Behaviours activities and musical instruments to name a few.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Simone Wood

Principal

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances, whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party.

Due to the need to pre-book venues and buses, the school has a 'no refund' policy for camps, sports and excursions/incursions, which will be clearly stated on all forms. (NOTE: Under extreme circumstances the Principal can authorise refunds – this may require a medical certificate or similar).

For further information on the Department's Parent Payment Policy please see a one-page overview attached. The policy can be viewed at: <https://www2.education.vic.gov.au/pal/parent-payment/policy>

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
